EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Christopher Ward on June 24, 2004.

The application has been amended as follows:

Please cancel claims 14-18;

Please rewrite claims 1 and 11 as follows:

1. (Currently Amended) A door trim structure for automobiles, the door trim structure comprising:

a door trim and an inner door panel both made of a thermoplastic resin,
wherein the inner door panel includes a at least one functional member attachment portion integral with the inner door panel, wherein the at least one functional member attachment portion includes a first protrusion as a part of an inner wall of the door trim structure, and wherein an inner wall of the door trim includes a second protrusion that is fused to the first protrusion to form a seal.

11. (Currently Amended) The door trim structure for automobiles as claimed in Claim 1, wherein ~~the functional member attachment portion includes recesses and protrusions~~ wherein the inner door panel includes recesses and protrusions that act as functional member attachment portions.

Art Unit: 3612

12. (Currently Amended) The door trim structure for automobiles as claimed in claim 1, wherein the inner door panel including the at least one functional member attachment portion and the door trim are integrally molded in a single blow molding process.

13. (Currently Amended) The door trim structure for automobiles as claimed in claim 1, wherein the inner door panel including the at least one functional member attachment portion and the door trim are integrally blow-molded from a single parison.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Patricia L Engle whose telephone number is (703) 306-5777.

The examiner can normally be reached on Monday - Friday from 8:00 to 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, D. Glenn Dayoan can be reached on (703) 308-3102. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
